

## GIFT LIST 2021/22

**MACS** is a charity that works alongside people in Malawi by responding to a wide range of requests for support from some of the poorest rural communities. Through education, improved healthcare and support for parishes and communities we aim to help people change their lives.

***Please support our work by buying alternative presents for Christmas, birthdays and anniversaries. Available online at [www.malawimacs.org](http://www.malawimacs.org) or by using the attached order form.***

***For each of the items listed below you can choose to donate £10, £20 or £50.***

### Help for Hospitals and Health Centres

Help hospitals and health centres with the day to day costs of providing for patients. This could include replacing worn out mattresses and bedding or providing small items of equipment.

### Help for Students

MACS bursaries enable girls and boys from less well off families to attend secondary school. The students to benefit are selected by a committee of staff and their progress is monitored each term. We also support a number of women to attend a six month course at Chilema Ecumenical Training Centre.

### Power to Malawi

Your donation will help to provide solar lighting/power for a classroom, clinic or staff house, adding several hours per day of usable time for study/work and charging for vital mobile phones.

# 2021/22 GIFT LIST

All gifts will be used to address immediate needs within your chosen category. The examples listed below are an **indication only** of what could be purchased within each price band.

## Help for Hospitals and Health Centres

£10 would buy a basic stethoscope, two digital thermometers or four pen torches

£20 would buy a blood pressure or blood oxygen monitor

£50 would buy a mattress or bedding for a child patient

## Help for Students

£10 would pay for a term's fees at a Community Day Secondary School

£20 would help towards the fees for a woman attending a home-craft management course at Chilema Ecumenical Training Centre (fees for the whole course are currently £150)

£50 would help towards fees for one of the 46 students supported by MACS at one of the Anglican Secondary Schools (fees for one term are currently £120)

## Power for Malawi

£10 would purchase a rechargeable head torch which would, for example, benefit a school matron visiting a sick child at night or a rechargeable lantern

£20 would contribute to a solar panel (10 of which make up a 300W panel)

£50 would provide lighting wiring for one room

***Zikomo kwambiri! - Thank you very much!***
